

RASMUSSEN CHIROPRACTIC CENTER FOR WELLNESS is a certified **IDEAL PROTEIN WEIGHT LOSS CLINIC** and distributor of **IDEAL PROTEIN** foods and supplements. The foods and supplements provided here in our office are received directly from the **IDEAL PROTEIN** warehouse and the quality is guaranteed.

RASMUSSEN CHIROPRACTIC CENTER FOR WELLNESS advises our patients against purchasing **IDEAL PROTEIN** foods and supplements from any online source. The quality of these online products cannot be guaranteed. Counterfeit products have been found on the market and may be dangerous. They do not always contain the nutrients and proteins necessary for healthy weight-loss and they may contain ingredients that are harmful to the body.

By purchasing **IDEAL PROTEIN** foods and supplements from an online source or any source not certified by **IDEAL PROTEIN**, it is agreed the **RASMUSSEN CHIROPRACTIC CENTER FOR WELLNESS** and Dr. Steven Rasmussen will not be held responsible for any adverse effects that may occur from the use of such products.

It is also understood that the **IDEAL PROTEIN WEIGHT LOSS PROGRAM** must be administered and monitored in a clinical setting. **RASMUSSEN CHIROPRACTIC CENTER FOR WELLNESS** will no longer provide the clinical supervision necessary, including but not limited to weekly measurements and weigh-ins, for any person who purchases their foods and supplements from any source other than this or another certified **IDEAL PROTEIN WEIGHT LOSS** approved clinic. **IDEAL PROTEIN** foods and supplements may continue to be purchased in our office as dietary supplements but they will not be considered to be purchased as part of the weight-loss program.

I have read and agree to the terms set out above.
